

Last Resort Supply Payment claim statement

Obligation to prepare and publish statement in accordance with paragraphs 9-10 of standard condition 38 (Treatment of payment claims for last-resort supply) of the Electricity Distribution Licence

Licensee:	Eastern Power Networks
Claimant:	Co-operative Energy Limited
Regulatory year:	2018/19

1. Revenue recovered from the consequential increase in Use of System charges

In accordance with paragraph 2 of SLC38 of the Electricity Distribution Licence Use of System charges were increased in the Relevant Regulatory Year to such an extent the licensee reasonably estimates is appropriate to ensure that the consequential increase in its Use of System revenue will equal the Specified Amount in Co-operative Energy Limited's Last Resort Supply Payment claim. On 6 February 2018 Ofgem provided the necessary derogations¹ to allow DNOs to recover Co-operative Energy Limited's claim, via a supplementary increase of 0.08 pence per day to the domestic unrestricted, domestic two rate and LV network domestic tariffs.
